

# Art Flood LED

The Art Flood LED is an emergency twin-spot luminaire which couples form and function making it suitable for areas where a more conventional twin spot would look out of place.

The Art Flood features 2 x 12W LED projector heads which provide excellent emergency coverage.

Light Source: LED.  
 IP Rating: IP 20.  
 Luminaire Lumens: 2 x 980lm (980 per head).  
 Construction: Metallic Grey steel enclosure.

To specify choose one entry from each column below, e.g. "ARF E3 298 ST" (option columns may be omitted if not required)

Name	Feature	Option	Emergency Option	Output (lm)	Finish
ARF (Art Flood)	-	-	E3 (3 hour EM) E3D (3 hour DALI EM)	298 (2 x 980lm)	ST (Steel finish)
