

Luk Square

The Luk Square family features square, crisp edges, which creates a strong look and can be either surface mounted or suspended.

Made from aluminium with a choice of either an opal polycarbonate or micro-prismatic diffuser and utilising T16 G5 lamps.

All models measure 55mm high except for one version of the 600mm Sq. model, which measures 119mm high. The suspended version is available in 600mm and 900mm only.
