

# Mac

The Mac lighting system offers the ability to create various shapes by combining multiple fixtures. Individual light fixtures are coupled by a unique magnetic system, without the use of tools. The Mac features an opal diffuser.

Made from aluminium and available in white, black, or brushed aluminium. The Mac can be surface mounted or suspended and was designed by renowned Dutch architect and designer Rob van Beek.

Nominal Dimensions:	1040mm x 445mm x 70mm.
Trim Options:	White, Black or Aluminium.
Output:	5280lm (830) or 5450lm (840).
Circuit Wattage:	96w.
Efficacy:	55 (830) or 56.7 (840) LL/CW.
Construction:	Aluminium.
IP Rating:	IP40.
Driver:	Electronic/DALI.

To specify choose one entry from each column below, e.g. "MC EMD 840 BK"

Name	Feature	Option	Emergency Option	Output (lm)	Colour Temp	Trim
MC (Mac)			EM	830		WH (White)
			EMS (Self Test)	840		BK (Black)
			EMD (DALI)			AL (Aluminium)
