

Plaster Profile Five

The Plaster Profile Five is a range of LED luminaires which feature an extremely shallow depth of 41mm, ideal for installation in areas with restricted ceiling voids.

The Plaster Profile Five features a high performance LED light source coupled with a diffuser designed to optimize light output.

Optionally the luminaires can be installed as pendants or surface with accessories sold separately.

Light Source:	LED
Colour Temp:	2700K
Lumens:	3060lm/M (Profile Option 1), 3240lm/M (Profile Option 2), 4890lm/M (Profile Option 3)
